Good morning Jerilyn. Would you be able to provide a breakout of the tonnage into the different Sussex County municipalities? Attached is a list of the zip codes for reference.

Each town receives grant funds based on their town's recycling tonnage, so the breakout is very important to the NJDEP tonnage report.

Regards,

**Dawn Latincsics, CSP**

The amount of tonnage we picked up from our customers for 2021 was 21,905 lbs of scrap automotive batteries.

Best regards,

**Jerilyn Chmielowiec**
